

Wildlife Challenge Plan

Park name	
What challenge pledge are you taking on?	
e.g. pollinator patch	
What is your overall aim? <i>Please provide a brief summary</i>	
e.g. to create a wildflower meadow	
How are you going to take to achieve your aim?	
It often helps to break a project down into steps. NB: please include as much detail as possible to help us see if you've got enough planned to win the challenge.	
Step 1	Achieve by date:
e.g. identify the area for the meadow	e.g. Winter 2023
Step 2	Achieve by date:
e.g. research and engage with local horticultural societies to identify correct species to grow and how to manage meadow	e.g. early 2023
Step 3	Achieve by date:
e.g. purchase seed, prepare soil and sow the meadow	e.g. March/April 2023
Step 4	Achieve by date:
e.g. maintain and evaluate meadow, plan mowing regime	e.g. Summer 2023 onwards
Step 5	Achieve by date:
e.g. document and share with guest through onsite signage and social media	e.g. through 2023
